Such notice should explain how the issue in dispute is a merit employment matter within the Board's scope of authority as set forth in the State Civil Service Act (Government Code Section 18500 et seq.) and Article VII, California Constitution. Matters within the Board's scope of authority include, but are not limited to, personnel selection, employee status, discrimination and affirmative action. Matters outside the Board's scope of authority include, but are not limited to, compensation, employee benefits, position allocation, and organization structure. Such notice must be received not later than close of business on the Wednesday before the Board meeting at which the proposal is scheduled. Such notice from an exclusive bargaining representative will not be entertained after this deadline, provided the representative has received advance notice of the classification proposal pursuant to the applicable memorandum of understanding. In investigating matters outlined above, the Executive Officer shall act as the Board's authorized representative and recommend the Board either act on the proposals as submitted without a hearing or schedule the items for a hearing, including a staff recommendation on resolution of the merit issues in dispute.

18. CAREER EXECUTIVE ASSIGNMENT (CEA) CATEGORY
ACTIVITY

This section of the Agenda serves to inform interested individuals and departments of proposed and approved CEA position actions.

The first section lists position actions that have been proposed and are currently under consideration.

Any parties having concerns with the merits of a proposed CEA position action should submit their concerns in writing to the Classification and Compensation Division of the Department of Personnel Administration, the Personnel Resources and Innovation Division of the State Personnel Board, and the department proposing the action.

To assure adequate time to consider objections to a CEA position action, issues should be presented immediately upon receipt of the State Personnel Board Agenda in which the proposed position action is noticed as being under consideration, and generally no later than a week to ten days after its publication.

In cases where a merit issue has been raised regarding a proposed CEA position action and the dispute cannot be resolved, a hearing before the five-member Board may be scheduled. If no merit issues are raised regarding a proposed CEA position action, and it is approved by the State Personnel Board, the action becomes effective without further action by the Board.

The second section of this portion of the Agenda reports those position actions that have been approved. They are effective as of the date they were approved by the Executive Officer of the State Personnel Board.

NOTICE OF GOVERNMENT CODE § 18671.1 RESOLUTION

Since Government Code section 18671.1 requires that cases pending before State Personnel Board Administrative Law Judges (ALJ's) be completed within six months or no later than 90 days after submission of a case, whichever is first, absent the publication of substantial reasons for needing an additional 45 days, the Board hereby publishes its substantial reasons for the need for the 45-day extension for some of the cases now pending before it for decision.

An additional 45 days may be required in cases that require multiple days of hearings, that have been delayed by unusual circumstances, or that involve any delay generated by either party (including, but not limited to, submission of written briefs, requests for settlement conferences, continuances, discovery disputes, pre-hearing motions). In such cases, six months may be inadequate for the ALJ to hear the entire case, prepare a proposed decision containing the detailed factual and legal analysis required by law, and for the State Personnel Board to review the decision and adopt, modify or reject the proposed decision within the time limitations of the statute.

Therefore, at its next meeting, the Board will issue the attached resolution extending the time limitation by 45 days for all cases that meet the above criteria, and that have been before the Board for less than six months as of the date of the Board meeting.

GOVERNMENT CODE § 18671.1 RESOLUTION

WHEREAS, Section 18671.1 provides that, absent waiver by the appellant, the time period in which the Board must render its decision on a petition pending before it shall not exceed six months from the date the petition was filed or 90 days from the date of submission; and

WHEREAS, Section 18671.1 also provides for an extension of the time limitations by 45 additional days if the Board publishes substantial reasons for the need for the extension in its calendar prior to the conclusion of the six-month period; and

WHEREAS, the Agenda for the instant Board meeting included an item titled "Notice of Government Code § 18671.1 Resolution" which sets forth substantial reasons for utilizing that 45-day extension to extend the time to decide particular cases pending before the Board;

WHEREAS, there are currently pending before the Board cases that have required multiple days of hearing and/or that have been delayed by unusual circumstances or by acts or omissions of the parties themselves;

NOW, THEREFORE, BE IT RESOLVED AND ORDERED that the time limitations set forth in Government Code section 18671.1 are hereby extended an additional 45 days for all cases that have required multiple days of hearing or that have been delayed by acts or omissions of the parties or by unusual circumstances and that have been pending before the Board for less than six months as of the date this resolution is adopted.
